ELIGIBILITY FOR MITS SERVICE

Mobility Impaired Transportation Service (MITS) is a transportation service for persons with a verified disability that prevents them from riding regular city bus service. Anyone interested in riding MITS must complete an application and be certified as a MITS passenger. Eligible paratransit program participants may be certified for services for a maximum period not to exceed two years. Eligibility for MITS may be on a conditional basis, meaning service will only be provided for those trips in which Americans with Disabilities Act (ADA) paratransit eligibility standards have been met. Passengers, certified on a conditional basis, will be required to use FWTA bus or rail services, or find alternative transportation, for trips that are not deemed as ADA paratransit eligible.

Processing your MITS application may take up to 21 days. For more information or to request an application, please call 817-215-8600.
MITS is a shared-ride service that provides comparable ride times to those of FWTA’s bus services. Please consider ride times when scheduling your trip, as the average trip length is about 90 minutes. Your ride time could exceed or fall below the average ride time depending on circumstances. You may reserve a trip on MITS by calling **817-215-8600** up to 14 days in advance. Reservations may be made between 8 a.m. and 5 p.m. daily. You may call to schedule a trip up until 5 p.m. the day before the trip.

*Trip request times may be negotiated one hour before or after the requested time.*

The reservationist will then give you an approximate time your driver will arrive. The driver may arrive up to 15 minutes before or after this time, and be considered on time for your trip.

**EXAMPLE:** If a trip is scheduled for 9 a.m., the driver may arrive between 8:45 a.m. and 9:15 a.m.

**When scheduling your trip, please provide the following information:**

- Name and service I.D. number
- Originating address and description (i.e., complex number, gate code, etc.)
- Time you are due at your destination (*appointment time*)
- Destination address and description (i.e., doctor’s office and building name, name of grocery store, complex number, gate code, etc.)
- Time of your return trip
- Type of assistive device (*i.e. wheelchair, cane, walker, service animal*)
- Number of guests or a personal care attendant to accompany you
Please be ready to go and waiting in a place where you can hear or see the vehicle when it arrives. Once your driver arrives, you will have five minutes to board the vehicle for your trip.

Drivers are not allowed to go into residences to assist passengers. In places of business, such as nursing and retirement facilities, drivers are only permitted to pick up and drop off in the main floor lobby area. MITS may designate standard pick-up and drop-off sites at major centers and destinations, such as large medical centers and malls. Operators must maintain sight of the vehicle at all times. To avoid delaying other passengers, drivers can only wait five minutes before proceeding on the route. When booking a MITS trip to a medical facility, allow enough time for your appointment to include seeing the physician, obtaining any prescriptions, and any other delays that could occur during your visit.

**SUBSCRIPTION SERVICE**

Subscription service is for passengers who travel to the same destination at the same time every week, for a minimum period of 90 days. If you will be making the same trip the same day of the week, notify the reservationist so that subscription service can be arranged. MITS may terminate subscription service that is canceled 50 percent or more of the time during any 30-day period, or if there is a consistent pattern of cancelations of any part of a subscription.

If you are canceling a subscription trip, you must notify the MITS office at 817-215-8600 at least one hour prior to your pick-up time. If you fail to call the office to cancel, you may be assessed a no-show.
FARE

The one-way fare for MITS is $3.25 per person (personal care attendants may ride free). The fare must be paid at the beginning of each trip. For your convenience, you can buy prepaid ride tickets. Call 817-215-8600 for an envelope and order form to order your tickets by mail. **Purchase 10 ride ticket books online at www.FWTA.org.**

SERVICE AREA

FWTA’s MITS offers door-to-door transportation within the service areas of Fort Worth and Blue Mound. Trained drivers are available to assist passengers with boarding in vehicles specially designed to accommodate the mobility impaired.

MOBILITY DEVICES

MITS will make every attempt to accommodate all wheelchairs, scooters, and other mobility devices. It is the passenger's choice to transfer or remain in the mobility device.

IS TRAVEL TRAINING FOR YOU?

As a MITS-certified rider, you can take advantage of FWTA’s Travel Training program. This service offers individualized training to introduce you to the convenience and ease of using our transit system. Specially trained Transit Ambassadors provide one-on-one training on bus navigation. Travel training is free and gives you the opportunity to take advantage of the flexibility offered by fixed route bus services.

Additionally, individuals certified for MITS may get a MITS+1 ID card that offers free fare for customers who are able, at times, to ride regular public transit with or without an attendant. The attendant must get on and off with the certified MITS passenger they are accompanying.

For additional information about TRAVEL TRAINING and/or how to obtain the MITS+1 ID card, CALL OUR CUSTOMER SERVICE LINE AT 817-215-8600.

SUPPLEMENTAL PROVIDERS

MITS contracts with private companies - Metro Charter Tours, Catholic Charities, Yellow Cab, Howard Transportation and Real Time Transport - to supplement MITS service. They provide the same door-to-door service with the same policies (i.e., no smoking in vehicles, same fare, etc.).

Please call our customer service line at 817-215-8600 to ask questions about MITS.

CHANGES/CANCELATIONS, NO-SHOWS AND WILL CALLS

MITS will consider service suspension for a period of time for those that habitually fail to take trips according to the definition above. You will not be charged with a no-show for circumstances beyond your control. If your service is suspended for no-shows, you have the right to appeal that decision.
